Fundo Social Europeu

**Project Title |** Católica in! Inovar para Incluir

**Project Code |**

**Main Objective |** To raise the qualification of young people and adults, reinforcing the quality of education and training

**Intervention Region|** Northern Portugal

**Beneficiary Entity |** Universidade Católica Portuguesa

**Approval Date |**

**Start Date |** 01-12-2022

**Completion Date |** 30-11-2023

**Total Eligible Cost |**

**Financial support from the European Union |** ESF - European Social Fund

**Objectives |** Católica in!" aims to promote students' integration and academic success at the Universidade Católica Portuguesa (UCP), particularly emphasizing the first year of higher education. It proposes four actions oriented towards developing tutoring and mentoring mechanisms, complete (360°) empowerment of at-risk students, and more flexible integration of the various institutional measures underway at the UCP.
